To the National Human Genetics Societies representatives

**Re: Invitation to participate to the 4th NHGSs meeting, June 2, 2008, CCIB Congress
Center, Barcelona**

Dear Delegate,

**I enclose the final Agenda of the above mentioned meeting that will be held during the
40th Human Genetics Conference, together with the presentations from all the listed
speakers!**

**Please do look through the attachments, and consult with your society if you wish, so
that you may be better prepared for the discussion, which I hope will be as lively and
productive as usual. Please participate actively: ample time has been reserved for your
interventions.**

With my best wishes, and looking forward to seeing you soon,

**Pier Franco Pignatti
