

2nd ELSI CONFERENCE 2026

*Mainstreaming Ethics Alongside Genomics
in Rare Disease Research and Clinical Practice*

Thursday 19th November 2026

9:30 - 16:00, Cardiff University, UK

Glamorgan Building, CF10 3WT

Free to attend

About the conference

The ELSI Node invites researchers, healthcare professionals, policymakers, patient groups and the wider rare disease community to attend the 2nd ELSI Conference. This free one-day event will explore ethical, legal and social issues (ELSI) in rare disease research and clinical practice, focusing on Mainstreaming Ethics Alongside Genomics.
