Floor Plan, Space Application & Allocation of Stand Locations

The preliminary floor plan and up-to-date overview of stand locations are available from Rose International. Please mark your preferred stand locations (four stand numbers) on the enclosed Exhibit Application Form. If one of your preferred stand locations is not available, you will be contacted to discuss alternatives.

Exhibit space will be assigned on a "first come, first served" basis upon receipt of the completed Exhibit Application Form and receipt of the corresponding fees (see also important information under Conditions of Payment, in this brochure).

Conference Website Link

Companies who book stand space will appear on the list of exhibitors on the conference website, Exhibition page: www.eshg.org/eshg2013 (open in October 2012). Use this opportunity to promote your company and products and order a URL link to your company website at EURO 185.00. To book: see the Exhibit Application Form enclosed in this brochure.

Design Stands - Construction Requirements

Standard stand construction is included in the exhibit space fee (as a package only) and no reduction is given in case a company brings and builds its own stand.

All stands, including design stands, should be constructed with walls on all sides bordering upon other stands. These walls must take up the full depth/width of the stand and must be 2.40 m high exactly, measured from the floor of the exhibition hall. Constructions inside the stand may be higher than 2.40 m but are subject to approval of the exhibition organisers and possibilities are very limited in Le Palais des Congrès. Such higher constructions, if approved, should remain at a distance of at least 0.75 m from the stand walls bordering on other stands. Stand floors must be carpeted.

The stand design, showing exact measurements and height (in cm), must be presented to Rose International for approval before 1 April 2013.

More information will be given in the Exhibitors Manual (January 2013). If you need specific information at an earlier stage, contact Rose International.

Exhibitor Badges & Exhibits Only Badges

Each exhibitor will receive a free allowance of Exhibitor Badges according to stand size. Limited numbers of additional Exhibitor Badges are available at EURO 85.00 each for exhibitors with stands of 9 or more m². Exhibitor badges give access to the exhibition area, the opening ceremony followed by the first two plenary sessions, the welcome reception, and the scientific sessions. Also included are the refreshments served in the exhibition area during official coffee breaks. Exhibitor badges are made available exclusively for exhibiting company staff.

Exhibits Only Badges at EURO 85.00 (valid for all 3 days of the Exhibition) are available both for company staff and for visitors. Exhibits Only Badges give access ONLY to the exhibition area and include the refreshments served in the exhibition area during official coffee breaks.

Details of the allowances, order procedures and further important information will be published in the Exhibitors Manual (January 2013).

Registration of local agent/distributor as co-exhibitor

Exhibitors may share the stand with their official local distributor/agent for France (one company). The exhibitor will be charged for the co-exhibitor fee of EURO 600.00. This fee covers one exhibitor badge for the agent/distributor, their company name on the fascia of the stand and listing in the exhibition catalogue and subject index.

Please apply for registration of your agent/distributor responsible for the French market on the enclosed Exhibit Application Form. The exhibition organisers will ask for a statement regarding the relation between exhibiting company and proposed co-exhibitor, as well as their full company and contact details, before reviewing the application.

If you wish to invite more of your agents/distributors on the stand, contact Rose International for further details and conditions.

Exhibitors Manual

Detailed exhibit information and instructions, including order forms for services and supplies (stand furniture, audiovisuals, flowers and plants, freight forwarding and storage of empties, Internet, etc.) will be available in the Exhibitors Manual (January 2013).

Hotel Accommodation

Exhibitors will receive the hotel list and booking form of the official ESHG 2013 hotel agent as soon as possible after their application for stand space.

Currency & VAT

All fees in this Invitation to Exhibit are payable in EURO and are excluding French VAT (19.6% at the time of printing of this brochure, the rate applicable in June 2013 will be due). If applicable, do not forget to state your VAT registration number on the exhibit application form (exhibitors VAT registration number will be stated on each invoice).
